## Account duplication

Hello! We have identified that you have a Teacher account and an Independent Student account that use the same email address.

If you'd like to keep both accounts, please change the email address associated with one of your accounts.

Alternatively, you can [contact us](#) to tell us which account you'd like to keep.

If you do not take action by **Thursday 10th March**, we will keep the most recently used account.

Please [contact us](#) if you have any questions.
